*a great place to live, work, and play***BARRINGTON****Village Report****WE'VE GOT A NEW LOOK!**

In order to provide better communication to our residents, we've redesigned our newsletter. Be assured that we're producing this new and improved version without increasing printing costs over our old newsletter! In June you'll also be seeing a completely new, redesigned and more user-friendly Village web site as well as community banners to complement our fresh, new look.

Kick Off Your Summer with Memorial Day Weekend Fun in Barrington!

BARRINGTON ART FESTIVAL

Spend your Memorial Day weekend right here in Barrington with the return of the Barrington Art Festival at Cook and Station Streets. Downtown will come alive with over 140 juried artists from around the world in all mediums, including ceramics, fiber, glass,

jewelry, metal, photography, watercolors, wood and more. This FREE event is sponsored by the Village of Barrington and the Barrington Cultural Commission and brought to you by Amdur Productions. Food will be available from local vendors including Tropical Smoothie Café, Kaleidoscoops, and Sergio's Pizza. There will also be plenty of activities for the kids!

**THE ACOUSTIC CAFÉ STAGE**

During the Art Festival, enjoy the music of the fiddle, flute, mandolin, guitar and keyboard as you stroll through downtown. Performances in the café will be held both days of the Art Festival from 10:00am until 5:00pm in the parking lot at Barrington Bank & Trust. There's something for everyone with this mix of acoustic rock, folk, country, blues, jazz and classical roots of music. The Roys, 2009 ICM Vocal Duo of the Year, will perform, as will other accomplished singers and songwriters performing original songs with an acoustic flair.

MEMORIAL DAY PARADE

Join us at 10:00am on Monday, May 31, for the annual Memorial Day Parade. The parade kicks off at Cook and Main Streets and will end at Evergreen Cemetery with a short service.

The Memorial Day Weekend Lineup**Saturday, May 29**

Barrington Art Festival, 10:00am–5:00pm, Cook & Station Streets
Acoustic Café Stage, 10:00am–5:00pm, Barrington Bank & Trust lot

Sunday, May 30

Come On Out for Cruise Nights and the Farmers' Market — Beginning in June!

June 3 (Cruise Nights); June 17 (Farmers' Market)

Join us in downtown Barrington every Thursday night as we begin our seventh season of **Cruise Nights**. The weekly car show is held every Thursday night from

June 3 to August 26 beginning at 6:30pm and features different cars each week.

This event is **FREE** and is located in downtown Barrington in the Harris Bank parking lot on South Cook Street, just south of Lake Cook Road. Each week features food and ice cream vendors, fantastic prizes, and entertainment by Bob Roig of Priceless Parties. Barrington Cruise Nights have

become a special event in the Village Center all summer long. Come and join the fun! Call 847-304-3400 for more information.

The **Barrington Farmers' Market** returns to the Village Center beginning June 17 at Park Avenue and Cook Street. This popular market is held every Thursday from 2:00–7:00pm until October 14. The market features fresh fruits and vegetables, meats, eggs, flowers, pastries, cheeses, seafood, ready-to-eat meals and so much more! For more information, go to www.barringtonfarmersmarket.org or 847-382-3829.

Join Us for Summer Fun Fridays in the Village

Friday, June 18 and Friday, August 20, 6:00–8:00pm

Start and end your work week and your summer with two Summer Fun Fridays! From 6:00–8:00pm in front of Egg Harbor Café, we'll be serving up great food, beer and wine, and live musical entertainment for the crowd. Entertainment on June 18 is provided by IROAD, featuring Barrington's own Charlie and Robbie Knapik, Dave Parrish, and Will Knight. On August 20 we close the summer with wonderful jazz brought to you by Barrington's very own Together Again. For more information, visit www.barrington-il.gov or call 847-304-3479.

SAVE THE DATE!

Barrington Community Talent Show

Tuesday and Wednesday, July 6 & 7, from 6:00–9:00pm

Back by popular demand! For two special nights, Barrington residents of all ages can showcase their talents and creativity on stage at the 4th of July Brat Tent. The show is open to both individuals and groups and will feature a variety of acts, including singing, dancing, skits, musical instruments, magic, gymnastics, pet tricks, juggling, stand-up comedy, and more. The stage is yours and the sky is the limit! Spaces are limited and all applications must be received by Friday, June 16, 2010. Applications are available at www.barrington-il.gov. Questions? Call Anne Garrette at 847-304-3479 or e-mail agarrette@barrington-il.gov.

We're Getting Easier

As your Village President, it has always been one of my major goals to help make things "easier" in Barrington, especially for our hard-working current business owners and also for those who might like to start a business here.

During the past 18 months, everyone from our Board of Trustees to Village Manager Jeff Lawler to our entire staff have committed to examining all of the ways the Village of Barrington interacts with our businesses — we've made it our mission to create a better balance that will make the Village easier to do business with.

Here are some of the things that have resulted from that commitment:

- Projects are now **moving much faster** through the Village system. In many cases, we have reduced permit review times from a couple of weeks down to a couple of days.
- Soon we will cut our **sign ordinance** by more than half (from 73 to 34 pages) and the revision will include provisions for things that business owners have been clamoring for. The new ordinance will allow for more corporate colors that were not previously able to be accommodated without commission review. It will allow businesses to install awnings with only staff review and approval, rather than going through the Architectural Review Commission. This will reduce approval time from six weeks to only a couple of days. The new ordinance will allow businesses to display their phone numbers and web addresses on awnings. Finally, the new ordinance will allow tenant panel changes on non-conforming signs as long as no structural or electrical repairs are required. This will help businesses get their name up on signs at a lower cost with less delay.
- We have recently updated and reorganized the Village's **zoning ordinance** to simplify it, with all amendments now integrated directly into the ordinance text.
- Our **new Village web site** (coming in June) will make it easier to download the permit forms you need and includes an interactive Business Resource Directory.

"On behalf of my entire family I'd again like to express my gratitude for all the support the Village of Barrington has provided us during this entire process. We really couldn't have done it without you."

—Bryan McGonigal, owner of
the newly opened McGonigal's Pub

With new businesses opening every month, things are definitely looking up in the Village, and I'm happy that we have been able to listen to both our businesses and our residents to continue to make Barrington not only a great place to live, work, and play, but also a great place to do business.

Karen Darch
President, Village of Barrington

2010 Census Update

You can track the 2010 Census participation rate of the Barrington residents on the home page of the Village's website at www.barrington-il.gov. As of April 15, 80% of Barrington residents have participated in the 2010 Census; the national rate is only 64%, and the state of Illinois rate is 67%.

Springtime Parkway Restorations

Now that winter is behind us, you may notice some damage to Village parkways unintentionally caused by Village plows over the winter months. Contact Public Works at 847-381-7903 to report any problems.

Creating a More Vibrant Barrington

It's a New Decade: Time for a New Comprehensive Plan

Every 10 years the Village incorporates into its long range planning an update of the Village's Comprehensive Plan. The current plan was last updated in 2000, and so the Department of Economic and Community Development will be undertaking this project in 2010. It will take one year to complete the project.

The plan establishes policies and implements strategies that will fulfill the consensus vision for Barrington, which is to preserve and promote its unique small town heritage, preserve its distinct ecology and historical character, provide a moral and safe environment, maintain a high quality of life through the efficient use of community resources, and respond to future challenges through citizen participation in all civic, social, and cultural endeavors.

The new plan will cover topics such as municipal boundaries, intergovernmental cooperation, land use, Village Center, housing, transportation, the environment, and economic development. In addition, all existing maps, charts, and data tables will be reviewed and revised.

The process will include meetings with residents to gain their input, which will begin in late June 2010. Please watch for a meeting schedule in upcoming Village Reports. If you are interested in reviewing the 2000 Comprehensive Plan, go to www.barrington-il.gov.

Brooke Jones, Development Planner for the Village, will lead the process. She can be reached at 847-304-3472.

To view the current
Village Comprehensive Plan, go
to www.barrington-il.gov

Hough/Main Development Update

To date, the Village has received five proposals from interested firms who wish to work with the Village on a vision for this important redevelopment site at the southwest corner of Hough and Main Streets in the heart of the community. In mid-March, the Village interviewed the five teams: New Trier Partners, LLC; The Jacobsen Advisors Group; Pairitz/Rankin; U.S. Equities Realty; and CRM Properties Group.

After meeting with the firms the Village Board agreed to continue with the process to select a development partner, with a decision occurring this summer.

Village Employee Spotlight on... ANNE GARRETTE

Events and Marketing Coordinator

Barrington is proud of its dedicated employees who continue to provide you with great service year after year. This new monthly feature will highlight one of our employees in order to help our residents better understand the services we provide and who is providing them.

Helping Our Residents Enjoy their Village

Sixteen-year Village resident Anne Garrette has worked with the Village of Barrington for more than two years as the Events and Marketing Coordinator. Every Thursday evening in the summer you'll see her running Barrington Cruise Nights, but it's her efforts behind the scenes that has truly helped Barrington's annual events and marketing take off.

"It's fun to see people out and about in town at the events that we help coordinate throughout the year," Anne says. "I was also amazed to learn how many events in town are run by very dedicated, all-volunteer groups who really put their heart and soul into creating fun experiences for our residents."

Anne also likes working with Barrington's hard-working merchants and business owners. Last year she began monthly merchant meetings, where business owners gather for breakfast to share ideas and give feedback. "I love hearing from our businesses and helping them succeed," she says. These meetings have really taken off as a great communication vehicle between our merchants and the Village."

Village News You Can Use

CN Trains Update

The Village of Barrington and other TRAC (The Regional Answer to Canadian National) coalition continue to push forward to encourage the U.S. Surface Transportation Board to revisit certain elements of its decision regarding Canadian National's plans on the EJ&E railway. Train traffic has increased and will continue to increase. For this reason, Barrington and other communities along the line are pushing for funding for mitigation, which may include eventual grade separations.

What Do Those Weather Sirens Mean?

Outdoor warning sirens are used to alert residents of danger from approaching severe weather, hazardous materials incidents, or other emergencies. The new warning sirens transmit numerous audible warning sounds and have the capability to broadcast voice instruction. Sirens are battery powered and will work even if a power failure occurs. Sirens are tested every first Tuesday of each month at 10:00am. Here's what those sirens mean:

LONG STEADY SIREN lasting 3 to 5 minutes indicated conditions are correct for a tornado and that severe weather is approaching the area. Residents should take cover.

OSCILLATING (up and down) SIREN lasting 3 to 5 minutes indicates that a tornado has been spotted. **TAKE COVER IMMEDIATELY.** The best place to take cover is in a basement, or small interior room under a heavy table, or a low ditch or ravine if caught outside.

No "all clear" signal will be given. Residents should monitor local news and weather to determine if the threat has expired.

Let the Chipper Chop Up Your Trees

It's Spring Chipper time again! In early May the Chipper will come through your neighborhood to chop up all those tree branches. Please have all material out to the curb by 7:00am on your designated Monday morning (see below). Branches may be up to 10" in diameter and at least 4' in length. Stack branches neatly in a long, low pile on the parkway, with the cut end facing the curb. Public Works crews cannot pick up material on private property. The following items cannot be picked up: root balls & stumps; building materials; anything with nails, wire or bolts; any material placed in a box or garbage can; grass, leaves or material other than woody branch material.

Spring Chipper Schedule

The Chipper will make only one pass through your neighborhood.

Monday, May 3 – North of Main Street

Monday, May 10 – South of Main Street

Investing in Our Future

Recently I had the opportunity to attend ribbon-cutting or grand opening events for several new Village businesses, including McGonigal's Pub, Park Avenue Wine Bar & Merchant, Angelina's (new owner), and Namaste Studio. All of our businesses add to the vibrancy and economic health of the community, and it is heartening to see this wonderful investment in our future by both new and existing business owners.

McGonigal's Pub and the Park Avenue Wine Bar & Merchant join other premiere restaurants in the Village to make Barrington an attractive destination for dining. Looking for French food? Head to the French Country Bistro. Japanese food? Visit Sagano. A great pub experience? Gather at McGonigal's. Or, if you'd like to bring the whole family out for dinner, Wool Street Grill is a good bet. And don't forget Francesca's, 111 Grille, and so many others. I enjoy them all!

Anchored by our restaurants, quaint shops, and service businesses, Barrington has a very strong economic base. The improved tax base from retail businesses in particular, help keep property tax at a lower level, which benefits us all.

Over the past few months, I've had many people tell me that they are beginning to see visible signs of increased vibrancy in the downtown area, and I believe we are on the cusp of great things happening here in Barrington. In order to continue to bring complementary businesses to the Village, your elected officials and Village staff have been working hard to highlight business opportunities within the Village and attract prospective business owners and operators. Many prospective businesses have recently told us that they intend to locate in the Village when the right property becomes available. For them, it's just a matter of time.

We hope our newly redesigned newsletter and web site will help us create an even more productive two-way dialogue between our residents and your Village officials and staff. And as always, I encourage you to contact me directly and provide feedback or ask questions. I can be reached at jlawler@barrington-il.gov or 847-304-3400.

Jeff Lawler

Village Manager

Fly the American Flag...with All Due Respect

Memorial Day, originally called Decoration Day, is a day of remembrance for those who have died in our nation's service. With Memorial Day approaching and Flag Day set, annually, as June 14th, many of us are planning to fly our American flags and are concerned about properly displaying and honoring one of our nation's most visible symbols.

The Flag Code, which formalizes and unifies the traditional ways in which we give respect to the flag, also contains specific instructions on how the flag is not to be used. Some of these instructions include:

- The Flag should never be used as apparel, bedding, or drapery.
- When the Flag is lowered, no part of it should touch the ground or any other object; it should be received by waiting hands and arms.

- When displaying a flag outdoors, it should not be displayed on days when the weather is inclement, except when an all-weather flag is displayed.
- The Flag should not be draped over the hood, top, sides, or back of a vehicle or of a railroad train or a boat. If displayed on a motorcar, the staff shall be fixed firmly to the chassis or clamped to the right fender.
- When displayed from a staff in a church or public auditorium, the flag of the United States should hold the position of superior prominence. No other flag or pennant should be placed above it, or if at the same level, it should fly to the right of the U.S. flag.
- The flag should form a distinctive feature of the ceremony of unveiling a statue or monument, but it should never be used as the covering for the statue or monument.

- On Memorial Day, the Flag should be displayed at half-staff until noon only, and then raised to the top of the staff.
- The flag should be cleaned and mended when necessary. When it is no longer a fitting emblem for display, it should be destroyed in a dignified way, preferable by burning. Most American Legion Posts regularly conduct a dignified flag burning ceremony. There is a flag drop-off box at Veteran's Park at Park Avenue and Cook Street.

For more information, please visit www.usflag.org/flagetiquette.html.

Welcome, Park Avenue Wine Bar & Merchant

On the evening of April 1, Park Avenue Wine Bar & Merchant (205 Park Avenue) hosted its grand opening with a wine tasting, appetizers and the unveiling of "The Art of Park Avenue," a rotating art gallery directed by local photographer Susan McConnell. The Park Avenue Wine Bar & Merchant is owned by the McGonigal family, who also recently opened McGonigal's Pub next door.

Park Avenue features a lunch and dinner menu focusing on foods that pair well with the shops' extensive selection of hand-selected wines. Park Avenue employs three sommeliers who can assist customers in purchasing wine from the merchant as well.

The merchant has a full bar offering and will be hosting wine tastings, winemaker dinners, and a new "Bloody Mary Sunday" each Sunday at 11:00am. The restaurant also has private rooms to host special events. For more information, go to www.parkavenuewinebar.com or stop by to catch a glimpse of this beautiful new addition to Barrington.

The Past and the Present

In celebration of Barrington's upcoming Sesquicentennial in 2015, we will be featuring scenes and stories from Barrington's past.

Nestled in the heart of downtown Barrington behind Jewel, the Ice House, built in 1904 for the Bowman Dairy, served as an actual ice house for 68 years. A major renovation and an addition have transformed the original building into today's charming village of specialties shop preserved with graceful turn-of-the-century architecture and old-fashioned personal service.

Cultural and Community News

On this page, we offer cultural and community events and news. Please note that these items are not sponsored by the Village of Barrington and are published in the newsletter on a first-come, first-served basis.

Music by Elizabeth Steadman, Guitar May 1, 1:00–3:00pm

Cook Street Coffee (100 E. Station St.)

Join us at Cook Street Coffee for a relaxing afternoon of beautiful music. Elizabeth Steadman, a local musician who grew up in Barrington Hills, will be performing solo with her guitar. Her style is reminiscent of indie folk and she performs many originals and covers. Call 847-387-3768.

Community Theatre Auditions

May 2, 6:00pm

*Barrington Cultural Arts Center,
Ice House Mall*

The Barrington Cultural Arts Center will hold auditions for an upcoming series of one-act plays to be performed on June 19 in their gallery. Male and female adult actors are being sought for the comedies. Actors are welcome to bring a monologue; cold readings from the script will be included. E-mail bcactheatre@gmail.com.

Salads: Thinking Outside the Oil and Vinegar Bottle
